

## Call for Papers Form

Missouri Smallflows Organization (MSO) will be hosting the 2021 MSO Conference & Trade Show at the Holiday Inn Executive Center in Columbia on January 19-20. The Education Committee is opening up the Call for Papers for presentations for the conference. These presentations must be educational, non-bias material that is subject to approval by the MSO Educational Committee.

Submit this form by October 15, 2020. After your abstract is approved by the Educational Committee, we will request your PowerPoint slides for review by the committee. These will be due by November 15, 2020. Requested changes or more description on your topics may be requested by the Committee.

At this time, the MSO Board of Directors is planning a full in-person conference. We are aware of the pandemic around the state and are monitoring the situation. We plan to keep everyone posted of any changes to the conference layout as more information is brought forth of the situation for January.

We appreciate your application and look forward to working with you for the 2021 MSO Conference & Trade Show.

Best regards,

Tammy Trantham  
Executive Director

Rick Wilcockson  
Education Committee Chairperson
