# ONSITE WORKSHOP

For REALTORS®, Homeowners, and Septic Professionals

This workshop is designed to provide attendees with valuable information about onsite systems (septic systems), septic ordinances and regulations, septic maintenance tips, and valuable resources.

- **REALTORS®** – Know the answers, close the deal! Three (3) MREC CECs available.
- **Homeowners** – Protect your property and prevent costly repairs.
- **Septic Professionals** – Know what resources are available to your customers and refresh on rules and regulations.

**REGISTER TODAY! Space is Limited**  
**\$10 Class Fee - See QR Code Above**

Brought to you in partnership with  
[www.mosmallflows.org](http://www.mosmallflows.org)
